Embrace The Extraordinary

A distinctive diamond nestled at an elevation of 8,000 ft. in the wilderness of the Rocky Mountains, Aspen has evolved from a discreet silver mining village into a world-class destination celebrating outdoor adventures in all four seasons. Today the city boasts a flair for arts and culture while maintaining an endearing small-town charm. The St. Regis Aspen Resort is centrally located and steps away from the base of Aspen Mountain's Silver Queen Gondola, restaurants, shopping, and entertainment.

The St. Regis brand is proudly rooted in family, legacy, and glamour and cherishes the Art of Celebration. No matter the reason for your celebration or the season you choose to celebrate, allow us to tailor a luxurious and luminous affair for you and your treasured guests.

The Art of Celebration

The St. Regis Aspen Resort is a premier setting for an array of gatherings. With indoor and outdoor distinguished spaces, The Resort offers 14 different event footprints that can accommodate special events and celebrations for hundreds of guests. Unique to our Brand legacy, we proudly distinguish our signature services with a dedicated on-site Event Manager and St. Regis Butler, who are both on-hand to provide any additional assistance you may require.

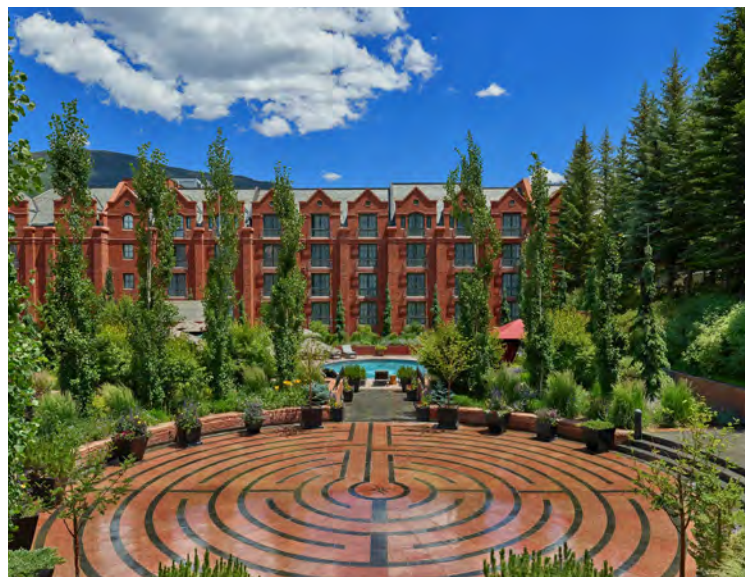

Fountain Courtyard

Featuring breathtaking views of Aspen Mountain, the Fountain Courtyard is The Resort's premier outdoor space. This majestic venue provides a dramatic setting for any celebration, whether it's a romantic wedding ceremony, cocktail reception, dinner, dancing under the stars, or a post-event farewell brunch.

Recommended for theater-style seating up to 400, reception-style event up to 800 or dinner/dancing with a stage and dance floor up to 200. This space is large enough to be covered by a tent or it can remain open to enjoy the crisp mountain air.

Please note that if this space is not tented, an indoor weather backup space is required.

Mountain Plaza

Mountain Plaza is an enchanting stage for a celebration or gathering. Enclosed by a luscious alpine landscape, this circular plaza channels a stately garden that evokes timeless beauty and romance.

Recommended for theater-style seating up to 200, reception-style event up to 120, or dinner up to 80. The majestic space is adjacent to The Resort's pool and easily accessible through the Fountain Courtyard or by The St. Regis crested iron gates on Monarch Street.

Please note that if this space is not tented, an indoor weather backup space is required.

Velvet Buck

Situated inside The Resort on the west side of the Fountain Courtyard is Velvet Buck, which operates as The Resort's signature restaurant and is an exquisite location that is available to be reserved entirely for a reception or plated dinner for up to 200. The elegantly rustic décor & furnishings create an elevated backdrop for a beautiful evening event.

Grand Astor Ballroom

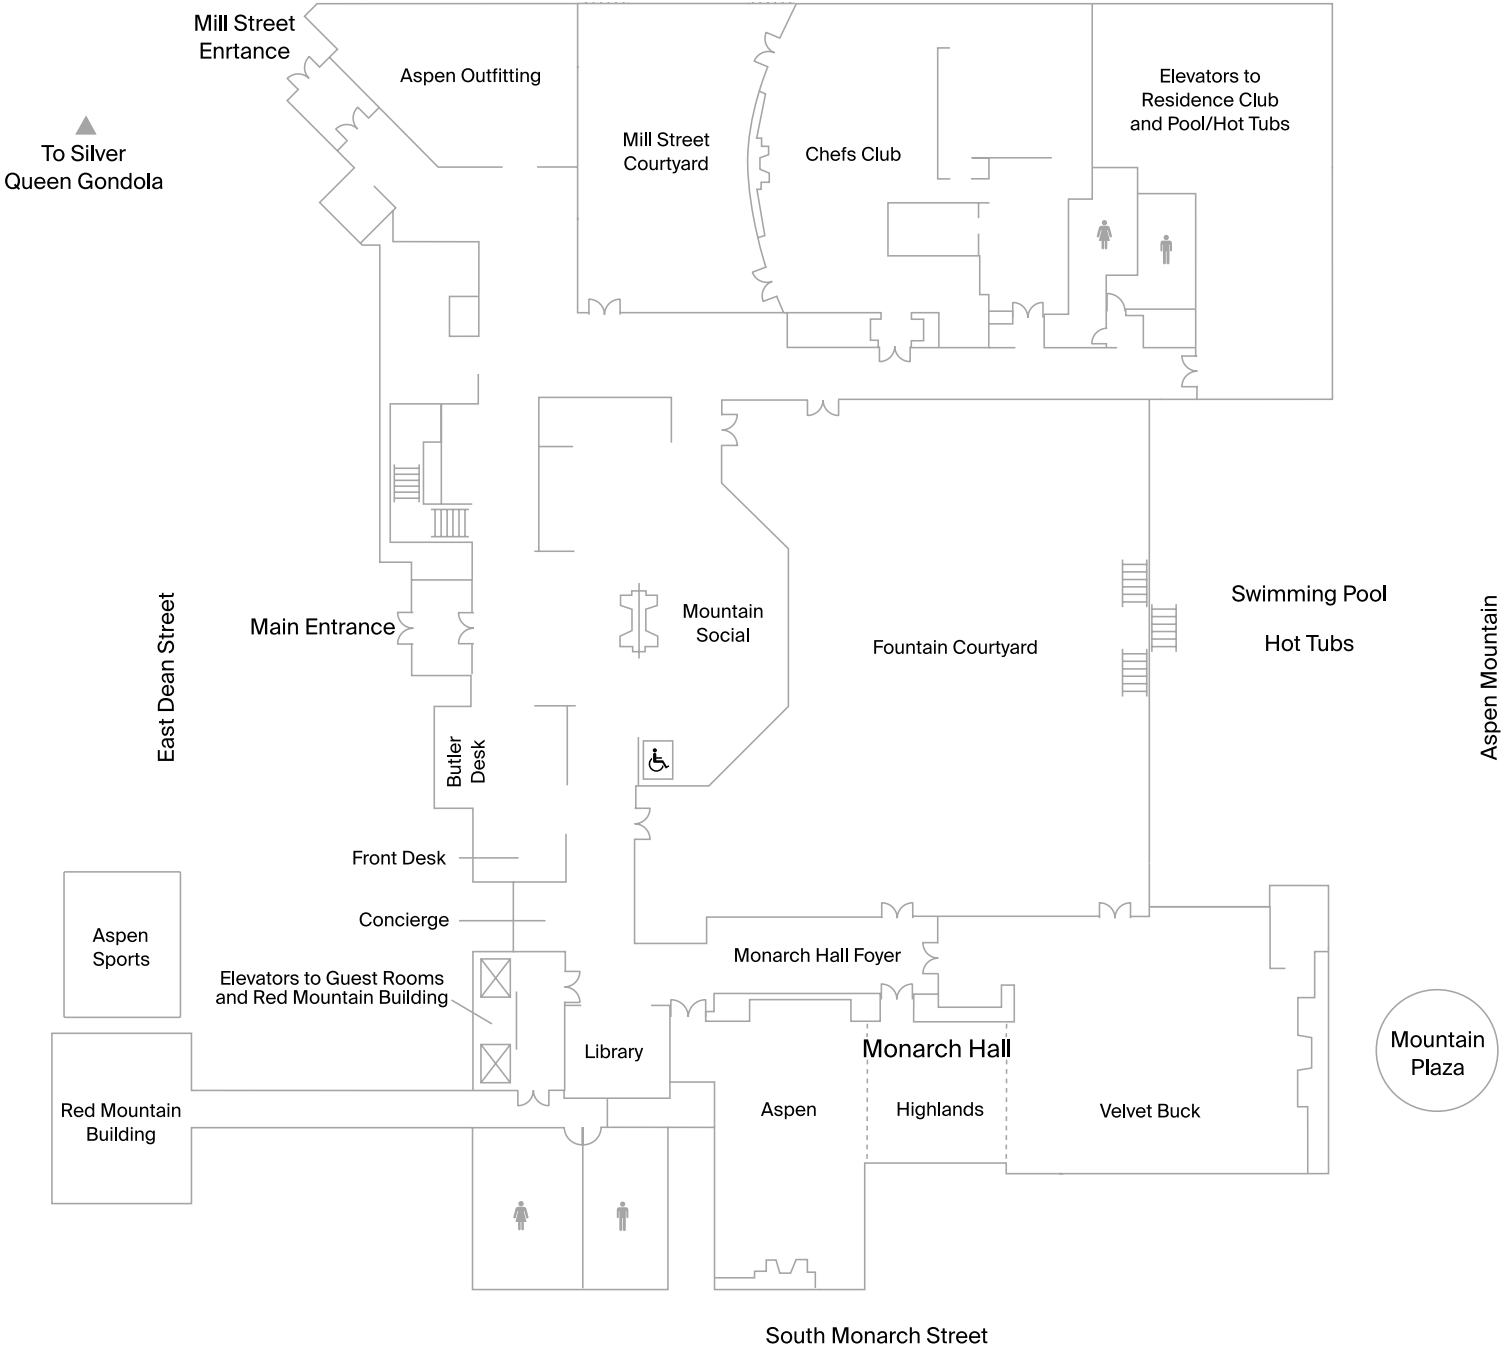

Located on the lower level of The Resort, the Grand Astor Ballroom reigns as the largest venue in Aspen with the space and resources to host up to 600 guests. Saturated in refined gray, white, and champagne tones, it sets the stage for a romantic wedding reception. Scones highlight the fabric-paneled walls while six chandeliers create an opulent setting. For more intimate weddings the room divides into two salons, offering the same ascetic on a tailored scale.

The 9,146 square-foot Ballroom comfortably accommodates up to 600 guests for sit-down banquets and over 1,000 for receptions.
